The President's Message

Ladies,

Can't believe another year has gone by and we're wrapping things up for the year so we can start fresh in September.

I am honored to have been your President for the last three years and look forward to another year serving you. We have a great board going forward and lots of plans in the works.

Your Board will continue to work over the summer. Among the things we'll tackle is re-roofing the club house, improving wheelchair and scooter access to the club house (more about this at a later date), planning events, activities and fundraisers, and investing funds for the future.

We plan to have a Wine & Paint night in October and hopefully, another later in the year. We will also be asking Alfredo Rolando Ortiz to return for a fundraiser. We want to have regular social evenings at the club house and perhaps an afternoon High Tea... or two. Another event we plan to have is a garage sale and invite the community to participate.

More Sections are coming back in September with Quilling resuming and Carol Schott is starting a Crafts Section. We'll be sending you a questionnaire as to whether you'd attend and what your craft/interest is.

And finally, I invite you to be my guest at the President's luncheon on Wednesday, June 8th. Yes, I know it's just after the general meeting but with the club house booked and my schedule, that was the available date.

See you at the General Meeting June 6th!

Pam Hilton, President
"Back to the Future!"

The Dean's Message

Hello Ladies,

What a nice time I've had and what a learning experience it has been serving on the Board as your Dean for the past two years.

I have met some wonderful women from other clubs at our District meetings and learned how important women's clubs have been to our state and national histories.

But, I now hand the torch over to our new Dean, Mimi Peralta, knowing she'll do a great job... and slide over to being your new Recording Secretary.

I want to express my thanks to everyone on the Board and recognize the great job they are doing, not just on the Board but also the projects they have taken on. Thank you for all your hard work! You're terrific!

See you at the June meeting!

Your Dean,

Susan Hernandez
