The President's Message

Ladies,

Welcome back! It's so nice to finally get back to "almost" normal. We have a great year ahead and I'm looking forward to it.

Your board has been busy this summer. Among the things we're working on is researching and getting estimates to improve accessibility into the club house. We are already ADA compliant but we realize that it would be very helpful to have wheelchair and walker access directly from the parking lot.

We are also working on updating our Bylaws and Standing Rules to be more flexible with the times. The pandemic presented challenges and we need to offer alternatives in communications and voting to the members beyond in-person meetings.

The yearbook is almost done and will be going to the printer in a few days. You can pick it up at the September general meeting.

We have two new members who joined this summer and possibly more. Welcome to Carole Blossom and Anna Seifert.

I look forward to seeing you at the September meeting. Remember, it's the second Monday of the month, not the first due to Labor Day.

The Dean's Message

Hi!

I'm Mimi Peralta, your new Dean. It is my pleasure to serve you this coming year. Hopefully, it will be a busy one, filled with opportunities for everyone to serve and enjoy.

First of all, a reminder: Our first general meeting is the second Monday in September, not the first. Same for January: the general meeting will be the second and not the first Monday of the month. Mark your calendars!

Our first big fundraiser will be a "Wine & Paint" night on Friday, October 14th. Don't miss this and be sure to RSVP early as space is limited. It's a fun night for all. Talent is not required. Open to everyone, member or not, a flyer will be sent to members shortly.

Remember to always keep an eye out for new members and when you see a new face, be sure to introduce yourself. It's always nice to feel appreciated and this our way of letting new members know we care.

Your Dean,

Mimi Peralta

Prayer for the New Club Year

As we gather here in the harbor of your safety, we thank you for fellowship and family. We ask that you strengthen us, restore us and inspire us with your love. Lord, would you fill us with your peace so that as we journey onwards, we would pour out your love and grace to others. We ask that our souls catch the wind of your spirit so that we would take your promises to all the earth.

Amen
